

Manufacturer's Five Year Warranty

Kodiak-Products 95 Gallon Bear Resistant Refuse Container

Northland Products Inc. (N.P.I.) Warrants its 95 gallon, fully automated, bear resistant container to the original purchaser to be free of defects in material and workmanship under normal use and service for a period of five full years from the purchase date.

Containers determined to be defective shall be replaced at no charge to the customer. If any component part fails in materials or workmanship during the warranty period, new components will be delivered for replacements. It is the customers responsibility to remove the failed component and install the new parts. All failed components must be returned to N.P.I. for warranty consideration.

N.P.I. warranty covers damage to the container body, lid or any component parts through opening or closing of the lid. Container body and lid shall maintain their original shape.

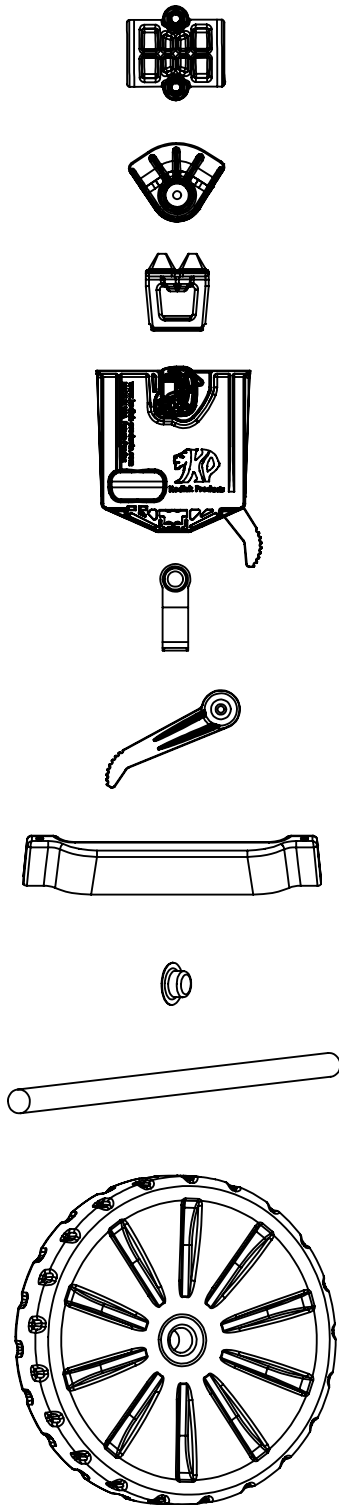

The seller shall not be responsible for damage or destruction caused by equipment abuse, vandalism, animal abuse, fire, neglect or acts of God after containers have been delivered and accepted.

Containers must be assembled per manufacturers instructions or warranty will be void.
